NOTES AND ORDERS

1 Para 6 of G.O.N° 2994-3004/mur: 278-18-36 dated 29 March 1919 passing orders on the continuance of the management by Govt: of the endowments of the Sri Sringeri Matt, Nelamangala Taluk, and fixing a scale of income & Expenditure of the Matt during the minority of the present Swamigale, runs as follows:-

6. Government are given to understand that the late Swamigalu had contracted debts to a large extent, in several cases without adequate consideration or necessity or under usurious pressure, and this in spite of the express direction of Government that he should not incur debts on any account whatsoever. (Para 15 of Government Order No. 1860-1—M. F. 36-93, dated the 27th November 1904). Though the creditors as such of the late Swami have no legal claim against his successor or against the endowments of the Matt, yet there may be cases, such as arrears of pay legitimately due to Matt servants for services *bona fide* rendered, where considerations of equity will not permit the claim being disavowed. The Muzrai Superintendent is requested to enquire into these cases and to submit his recommendations about the nature of all valid claims and the extent to which they may be accepted and the ways and means for their discharge. It will, however be laid down as a general instruction that no liabilities can be accepted which it may not be possible to discharge from out of the surplus income that will be available during the minority of the present Swami, and that the advances already made by Government for expenses in connection with the induction of the present Swâmi into *Sanyasa Asrama* and the obsequial ceremonies of the late Swami will be a first charge upon such surplus income. 2 Para 9 of the suggestions contains proposals as to what proportions of the claims of the Matt servants may be paid & what they amount to.

NOTE.

SIVAGANGA MATH.

SUBJECT.:- Arrears of pay due to the servants of the deceased Swami.

When the Swami of Sri Sivaganga Math died in Pondicherry in October 1918, Mr.B. Ramiah, Superintendent of the Muzrai --- Secretariat, was deputed to go to the -- place and take charge of the Math's ---- affairs.

2. In reporting the action taken by - him, Mr. B. Ramiah brought to the notice the Government, among other matters, that the servants of the Math claimed pay - t of salaries which had remained unpaid for various periods from 1st July 1918. He submitted 2 lists of such claims - one of Brahmin servants, 44 in number, to the total amount of Rs.11,776-12-7 and the other of Non-Brahmin servants 102 in --- number to the total amount of Rs.6,000- - all the servants were sent away from Pondicherry on payment of trainfare to their respective places - these payments amounting to Rs.355-1-0, in the case of the --- Brahmins and Rs.1,183-12-0 in the case of

Flag A and B.

of the Non-Brahmins. The balance is now due to the servants.

3. With reference to the claims of --- these servants, the Government in para 6 of Proceedings No.2294-3004 dated 29th March 1919, have been pleased to authorize the Muzrai Superintendent to enquire into the cases of arrears of pay legitimately due to Matt servants, for services bonafide ---- rendered where considerations of equity -- will not permit the claim being disavowed and to submit his recommendations about the nature of all valid claims and the extent to which they may be accepted and the ways and means for their discharge.

4. But funds were wanting at the credit of the Matt; and the enquiry into the --- claims for arrears of pay had to be deferred until sufficient money to discharge the claims was recently made available by a loan of Rs.15,000/- to the Matt out of the funds of the Kalasa Temple.

5. In the same order of 29th March 1919 Government have directed that the advances made by the Government for expenses in connection with the induction, of the present Swami into Sanyasa Asrama, and the ---- obsequial ceremonies of the deceased Swami should be the first charge upon the surplus income of the Matt. These advances are:-

Rs.2,000/-

Pro.No.2792-94 dated 30-4-18.

Rs.2,000/- for inducting the present -- Swami into Asrama advanced -- from Sri Gangadhareswaraswami Temple.

Rs.4,000/- for the obsequial ceremonies of the deceased Swami advanced from State Funds.

Even these may be adjusted at once, leaving sufficient funds to pay off the servants. But, I beg to submit that on checking the -- accounts of the funds of the Matt from 1900-1901, when they were last audited, I find that several items of collections from the Matt's Inam Villages, have, by mistake of the local officials, been credited to -- Government "LAND REVENUE". I have marked such items in the accounts of the Villages which I have till now checked; and a --- complete list of all items will be submitted on my completing the checking of the -- amounts of the other villages of the Matt. It will be necessary to refund to the Matt, these moneys collected from the Matt's --- villages and credited to Government by --- mistake; and when the accounts in this -- respect are settled, much of the above --- advances made by the Government to the Matt can be set off against the sums to the --- Matt; perhaps the credit of the balance may even be in favour of the Matt - and even if the balance goes against the Matt to some extent, the amount may be readily paid up from the funds available at the credit of the Matt.

6. I have therefore now taken up the

Kent's Report 7E-C

I shall prefer any claim hereinafter made early. Rec'd

Statement-7E-D

the claims of the servants of the Matt for arrears of pay. 10 of these servants, 5 Brahmin and 5 Non-Brahmins, are reported to be dead. The cases of these persons may be reserved for consideration when claims for payments are actually received from the heirs of the deceased I have also reserved my enquiry into the claims of 12 others since before deciding how far they are -- valid and to what extent they may be ---- accepted, a very close examination of their claims is --- necessary and this will necessarily take -- some time; but on this account, the payment to the servants whose claims have been --- established need not be delayed.

7. In regard to the remaining servants, 27 of these are Brahmins claiming in all Rs.2,569-13-7, as detailed hereunder:-

Japa.	1	Rs.	150 0
Devarpuja.	1	Rs.	16 8 0
Sannidhi Paricharaks.	6	Rs.	403 9 1
Cooks and Paricharaks.	14	Rs.	1,589 15 7
Harikars.	5	Rs.	346 12 5
Total.	27	Rs.	2,569 13 7

In the case of the Non-Brahmin servants, the amount of Rs.6,603-8-6 as per Mr.Ramaiah's list includes a sum of Rs.862-14-4 claimed as arrears of daily Bhatta (Rice-doles and small cash given while in camp.) The claim for the arrears of this daily Bhatta is -- untenable and it may be disallowed confining the claims to the arrears of pay proper. --

the amount due to the Non-Brahmin servants 97 in number, excluding the five reported -- dead is Rs.5,468-3-1, as detailed hereunder:

2 Valaga set. ..	Rs. 160	0	0
25 Boyies (Palanquin bearers.)	464	5	4
2 Elephant riders.	72	6	8
1 Coachman. ..	50	0	0
64 Daffedars, peons and other menials.)	4,721	7	1
T o t a l.	Rs.5,468	3	1

8. The total of arrears of pay due to all the servants of the Matt - Brahmins and Non-Brahmins, (excluding the ten reported dead and the twelve whose claims have been reserved for further enquiry) is Rs.8028-0-

H.X & Y.

9. Looking into the statements, it will be seen that the periods for which the arrears of pay are due range from 2 months to over 50 months. It is no doubt the fault of the servants too, that they allowed their claims to accumulate to such an extent without receiving their salaries regularly every month or at least at reasonable intervals. Strictly speaking the claims for arrears of salaries outstanding for years together do not deserve any serious consideration. But, having regard to considerations of equity generously allowed by the Government in their Order of 19th March 1919, I propose that the servants be paid not all in full but rateably as exhibited below:-

Period of arrears.	No.	Amount due.	Payment in the rupee.	Amount to be paid.
Under 6 months.	63	Rs.1,467 6 10	16 annas.	Rs.1,467 6 10
" 1 year.	34	Rs.2,278 15 5	12 "	Rs.1,709 3 7
" 2 years.	16	Rs.1,776 4 5	10 "	Rs.1,110 2 9
" 3 years.	5	Rs. 905 15 0	9 "	Rs. 509 9 5
Over 3 years. (Clerk barred by limitation)	6	Rs.1,609 7 0	8 "	Rs. 804 11 6
T o t a l.	124	Rs.8,038 0 8		Rs.5,601 1 1 or 69.7%

I request that the Government will be ---- pleased to sanction the servants being paid off their arrears of salaries at the above rates.

10. In making the payments to the ---- several servants individually, the amount advanced to each by Mr. Ramiah for train-fare from Pondicherry will be deducted and only the balance due will be actually paid. The amount to be actually disbursed will be only Rs.4,220 14 4, and this may be paid out of the funds at the credit of the Matt which have been recently supplemented by a loan of Rs.15,000/- granted from the Kalasa Temple Funds.
